

Seaward 35

Description

The Seaward 35 needs no introduction, with it's unrivalled reputation as a supremely assured offshore passage maker. This outstanding example is in immaculate condition, having been lovingly maintained and improved during current ownership.

'Bruiser' has been professionally maintained with an annual engine service and twice yearly lift out for hull wash and bottom gear check. She has also been lifted and stored undercover for a minimum of a week each year to allow her some dry time and to be professionally antifouled, with props, rudders and topsides polished.

This fabulously capable sea boat is ready for another adventure with her new owners.

For more information or to arrange a viewing, contact Paul in the Plymouth office on 01752 260086.

Meta Fields

Specs Equipment Information 5 Spec Content : V berth in owners cabin with fully sprung mattress Privacy door arrangement to separate fore cabin from heads and dinette area Double berth conversion in dinette area Additional single berth in saloon area Portable colour television Port helm layout Stainless steel wheel - rim covered in leather to match helm seats KAB suspension helm seats and headrests in blue Muirhead Ingleston "Bobbin" leather McMurdo EPIRB (batteries replaced October 2021) Jabsco electric, quiet flush toilet with both freshwater and seawater Three internal fire extinguishers (all new 2023) plus fire blanket in galley
