

Beneteau Oceanis 473 Clipper

Description

Beneteau Oceanis 473 built by Chantiers Beneteau in 2002 she is ready to sail, EU or UK Vat status, located in sunny Lagos, Portugal. Twin wheeled fin keel, aft cockpit sloop. Twin aft cabin layout. Designed by Groupe Finot and built by Chantiers Beneteau in 2002. Part I British registered. New engine & standing rigging from 2018

The Beneteau Oceanis 473 Clipper boasts excellent accommodation, Master cabin with large island double bed and twin double aft cabin layout. Coupled with great performance, the Oceanis 473 Clipper has become a much sought after vessel with around 600 having been built. In fact, in recent years the Oceanis 473 has been a regular ARC entry, proof of their performance and seaworthiness.

“Viking Blue” is a very well-maintained example of this ever popular comfortable, fast cruising yacht which the current owner has cherished and has sought to keep it updated as technologies and refurbishments or replacements have been required. She has an extensive inventory and has been extremely well looked after by her knowledgeable owner.
