

Dale Nelson Classic 45

Description

AVAILABLE OCTOBER 23 – AWAITING FURTHER IMAGES AND DETAILS

Undoubtedly one of the most stunning vessels you will see afloat today, the Dale Nelson Classic 45 is a quality hand built yacht of timeless traditional design, capable of handling rough (and smooth!) conditions with absolute ease.

Superb styling...with her tumblehome topsides and retroussé transom she is admired wherever she goes.

Open, airy wheelhouse with exceptional visibility all round with space to socialise for up to twelve people. Sturdily built and beautifully engineered, thoughtfully detailed and sporting a practical hardtop. Bristling with details designed to make life on board safer and more accommodating

'Kashmir' has benefitted from a number of recent upgrades along with a regular maintenance program. New comprehensive Raymarine navigation suite, new battery bank, bow thruster and stern thruster, beautiful interior, exceptional engine service history – all with only 820 hours on the clock.

A rare opportunity to purchase a true gentleman's British built classic motor yacht.

We are awaiting a full set of images, please call our Falmouth Office for any further information or to arrange a viewing.
