

## Eagle 44

### Description

Designed by J – class specialist Dykstra Naval Architects, the similarities with the Eagle 44 are clear. She has stunning lines, with elegant, short handed sailing at the forefront of design, she can be sailed single handed from behind the wheel at the touch of a button...

Her large cockpit offers space for entertaining with cooler and sink in the cockpit table, guests can enjoy a relaxing sail in comfort, while captive and electric winches mean all the sail handling can be done in a similar fashion.

Below decks she offers a similar high gloss finish with comfortable berthing for two for the weekend, along with an electric toilet.

This is pure sailing elegance, please contact our Falmouth office for further details or to arrange a viewing.

### Meta Fields

**Specs Equipment Information 4 Spec Content :** Stunning high gloss varnished mahogany throughout Flooring in teak Cream upholstery Custom stainless switching panel Large double V berth (L 2.18 x W 1.5 at head end) Halogen lighting with 2 bedside reading lights Electric flush toilet within cabinetry
