

Fairline Corniche Fly 31

Description

This Fairline Corniche 31 Flybridge is without doubt the best conditioned model on the market today.

She had a full engine service, antifoul, polish and anode change in the spring.

'Salty Girl' presents incredibly well, with a versatile layout and spacious feel throughout, this is truly a rare find. She can do up to 34 Knots, so can get you where you are going in a hurry. These boats are also known for their good sea keeping abilities so would make an excellent local or longer distance cruising boat.

Call us for more details or to book an appointment to view.
