

Fairline Phantom 38

Description

The Fairline Phantom 38 is a stylish luxury flybridge cruiser offering a great blend of sparkling performance and comfortable accommodation from a twin screw shaft drive motor boat. Fairline from this era are considered by many to be the benchmark, and the Phantom 38 has often been the choice above the Princess 380 and Sealine F37. This stunning example has many recent upgrades and improvements including bow & stern thrusters, flybridge bimini, recent Raymarine navigation package, synthetic teak decks, diesel heating system, passerelle/dinghy lift. This is a well cared for and professionally serviced family boat – call us to discuss. Click the 'Panorama' tab at the top of the pictures to get a 360 degree tour. Right click to get a full screen. Move through the boat with the red targets. (works best on a PC rather than a tablet)

Specs Equipment Information 6 Spec Content : Fire extinguishers Fire blanket Remote control searchlight Electric bilge pumps with automatic and manual switching Manual bilge pump Life sling

Specs Equipment Information 6 Spec Title : SAFETY

Specs Equipment Information 5 Spec Content : The accommodation offers up to six berths in three cabins with good headroom throughout (approx. 6'3" in saloon). OWNER'S FORWARD CABIN: Fitted with an island double berth, wardrobe, beneath berth storage, mirrors, opening hatch to foredeck, portlights, and access to en suite. EN SUITE: Separate en suite heads compartment to port with Jabsco marine electric toilet, washbasin, shower area, storage, and opening portlight. GUEST CABIN: Located to starboard and fitted with twin single berths (an insert to form a double could also easily be created if required), wardrobe, portlight, and en suite access to the heads compartment. HEADS: Separate heads compartment to starboard with Jabsco manual marine toilet, washbasin, shower area, storage, and opening portlight. GALLEY: Large L-shaped galley to port equipped with an Eno 2-burner gas hob, separate Smev gas grill and oven, front opening fridge, twin stainless steel sinks, generous work surfaces with fitted sink and hob covers, and ample storage in a range of cupboards and shelves. SALOON: L-shaped settee to starboard (which converts to a double berth) and adjustable height table, with an additional settee and full-height cocktail cabinet to port. Forward to starboard is the well-equipped wheelhouse helm offering good all-round visibility and a large chart area. Steps down to galley and cabins, with sliding door aft to cockpit. GENERAL EQUIPMENT: The interior features

Cherry cabinetry, and beige Alcantara style and suede linings upholstery, cream carpets, and fitted curtain (blue). Hot and cold pressurised water is provided throughout via a calorifier with an immersion coil whilst a diesel-fired warm air heating system provides warmth on colder days. Heating outlets to all cabins and heads. Holding tank with gauge and deck and overboard discharge facilities. EXTERIOR: The aft cockpit provides ample room for entertaining, with a large offset aft seat (with removable cushions) and plenty of room for additional free-standing seating if required. Beneath the teak laid sole is a large lazarette which also provides access to the engine compartment. An offset walk-through transom door provides access to the bathing platform, whilst steps to either side lead up to safe, wide side decks running forward to the large foredeck with room for sunbathing pads if required. A staircase leads up to the flybridge, with an upper helm position and seating area, providing more useful external seating ideal for entertaining.
