

Nimbus 365 Coupe

Description

2013 Nimbus 365 Coupe built in Sweden

She was designed for weekend and long distance cruising in comfort. She combines high end, versatile accommodation, with safe solid sea keeping capability.

'Tatiana' has the preferred twin Volvo D4 – 260 engines, giving her increased stability and fuel consumption along with reliability.

She has been very well maintained with a recent battery bank and cockpit canvas. She had a full service in May 2023.

She is afloat in her marina berth in Falmouth which may be available via separate negotiation.

For further details or to arrange a viewing, please contact us.
