

Hallberg-Rassy 36

Description

Designed by German Frers, the Hallberg-Rassy 36 is an outstanding cruising boat. Easily handled, with good performance, ample storage and a sea kindly motion, it is a boat capable of extended blue water voyaging, .

This excellent example has benefitted from a thorough ongoing programme of maintenance and upgrades, including electrification of the primary winches in 2022 and new Coppercoat in 2023. The boat has been stored ashore each winter under current ownership.

The renowned Hallberg-Rassy build quality and attentive owners since new have ensured that 'Red Rascal' presents in very fine condition.
