

Hallberg-Rassy 39 MKII

Description

Designed by German Frers, the Hallberg-Rassy 39 is a proven passage maker with beautiful lines and an extremely comfortable interior. This immaculate example is in her second ownership since 2002 and during this time has been constantly maintained and updated by her long-standing Hallberg-Rassy owners. The boat has never been sailed long distance but used regularly for weekends and holidays, and has always been wintered ashore.

A berth in the highly sought after Mayflower Marina may be available by separate negotiation.
