

Hallberg Rassy 48 MkII

Description

This Hallberg-Rassy 48 MKII from 2020 sporting the additional hardtop, Hydraulic powered genoa & inmast furling with a sensible, seamanlike deep cockpit is a serious offshore blue-water cruising yacht. She is capable of taking at least two couples on extended cruises in great comfort and style. Still with the original owner from new.

The yacht presents as new.

She bristles with a huge list of extras drawn together by an experienced owner including Lithium batteries, water maker, hydraulic powered sail furling, aircon and Generator. She has been incredibly lightly used with fewer than 500hrs on the engine and an oak interior that sparkles.

Whether you are looking for the ultimate cruiser or a mile muncher for serious blue-water cruising this yacht should be at the top of your list.

(main sailing picture is of a sister ship)
