

Malo 38

Description

The Malo 38 is an extremely capable and well built offshore cruiser. A popular design with very safe aft cockpit and excellent performance and seakeeping.

'Caper' has been under current ownership since 2006 when she was brought over from Sweden. She has a large cockpit with solid windshield, the mainsheet track runs over the cockpit arch both giving a large, clutter free cockpit. She has a large forward V berth and a double aft with bunk bed above with a very spacious saloon.

She is afloat on her mooring near Restranguet, which may be available for the remainder of the season.

Please call our Falmouth office for further information or to arrange a viewing.
