

Mitchell 28 Sea Warrior

Description

One of the last Mitchel 28's (Sea Warriors) to be build by JS Mouldings in Essex – from 2002. Rebuilt and upgraded by the current owner to produce an exceptional and versatile launch, weekender. With a 315hp Yanmar 6LP engine from 2008 , she is stunning underway. Recent topsides paint job, excellent navigational package (including autopilot), bow thruster, life raft make the package very attractive. This is a semi displacement, all weather vessel with the ability to get you home (or out to sea!) in any sea state. Comparable to a Seaward or Nelson – she also takes the ground and comes with beaching legs. Currently afloat in Falmouth harbour. Please call to discuss this very special vessel.

Meta Fields

Specs Equipment Information 4 Spec Content : Teak interior joinery to a very high standard Multi adjustment helm seat L shaped seating to port side - converts to a double berth Upholstery in very good condition Teak & Holly flooring Galley up with 2 burner hob, grill & oven unit Hot & cold water to galley sink FWD V bunk with infill to make a double.
