

Pacific Seacraft 40

Description

Designed by Bill Crealock, the Pacific Seacraft 40 was built to be the ultimate long distance cruiser. Her cutter rig and canoe stern combine for an extremely well balanced and sea kindly yacht which is easy to handle.

Pacific Seacraft are well known for their build quality and 'Avocette' does not disappoint. From substantial, through bolted deck fittings to well built cabinetry she certainly has a solid feel throughout. Maintained and cared for by a knowledgeable sailor, her recent upgrades include but are not limited to, a full rig, boom, kicker and helm pedestal repaint with new standing rigging. The hull has benefitted from a re epoxy and copper coat and a new bow thruster give her much needed maneuverability in close quarters.

Call our Falmouth office for information and to arrange a viewing.

Meta Fields

Specs Equipment Information 6 Spec Content : Stunning solid cabinetry throughout Opening hatches and stainless port holes with insect screens Positive locks on all sole boards Heads to port: Separate toilet and walk in shower with screen Groko K series manual heads 70 litre holding tank with macerator Aft cabin to starboard: Double berth with opening port hole to cockpit Hanging storage Draw and further storage underneath Nav Station to port: Half sized admiralty chart table with hinged lid Ample stowage for charts and passage planning Full control panel and battery management Galley to starboard: Force 10 gimballled 3 burner hob and oven Bosh microwave Double stainless sinks Pressurised hot and cold water Footpump sea water Footpump for fridge drain Large fridge Large freezer Storage under and over Saloon: U shaped seating with table to starboard Saloon table on compression strut for conversion to double berth with lee cloth Port settee/berth with lee cloth Forward cabin Large V berth Vanity hand basin Large hanging locker Draws and further storage underneath Water tanks: 265 litre under forward bunk 83 litre under galley sole 165 litre under aft bunk
