

Sargo 31

Description

A beautiful boat build in Finland by the Sargo people to extremely high standards. Beautifully maintained and serviced by the professionals, this is better than new. **Full** inventory list to make a 'turn key boating solution'. Synthetic teak decks enhance the overall appearance of this stunning twin screw boat with almost every option upgraded from new. 2 x 300hp Volvo Penta D4's (serviced December 2022) offer a blistering top speed and performance whilst enabling comfortable & economical cruising at 25kts. We cannot recommend highly enough – Please speak to Simon about this boat.
