

## XO 270 Front Cabin

### Description

The XO 270 Front Cabin is the ultimate high speed explorer boat – large enough for a family and friends but easily operated single handedly. She has the renowned XO marine-grade aluminium deep vee hull which is much stronger and lighter than GRP, making her fuel efficient yet extremely seaworthy.

The twin Mercury 250hp V8s are quiet and refined yet still provide near 50 knot performance. She benefits from all the extras you would need for complete safety in nearshore and offshore waters: Simrad multi-function display, echosounder, full suspension helm seating, a galley and fridge, heating in all cabins, 32 nautical mile range radar, remote controlled spotlight and bowthruster. This is a must see for anyone looking for an extremely safe family and adventure boat.

Please view through our website for a video of her in action.

### Meta Fields

**Specs Equipment Information 5 Spec Content :** 1 x Auxiliary battery - 2022 2 x Starter batteries - 2022 Fusion Sound System Radio/iphone/USB Fusion link, Bluetooth, Remote control, 6 Speakers Auto and manual bilge pumps

**Specs Equipment Information 5 Spec Title :** ELECTRICAL
